

Details from Dr. Dallas

November 2007

Welcome to November! This is my favorite month of year because of the Thanksgiving holiday! I am so thankful for the many ways that God is blessing PCS!

Coffees: The major announcement from the coffees was the continuation of the “Bring a Family” Tuition Coupon. As you know, word-of-mouth marketing is the best method to share a product or a service. In order to thank those of you who share PCS with your friends, we will offer the coupon of \$100 off your tuition next year. Please check out the details inside the coupons available in the office.

Annual Fund: The end of the pledge period is almost here. We will happily receive pledges, cash, or checks through next Friday, November 9th. Everyone who pledges or gives will receive the car magnet. Check the website (Giving Honor Campaign tab) for a copy of the magnet flyer!! As of today all of us have pledged \$78,690 with about 37% of our families participating. We are on our way to the school goal of \$100,000!!! Whether you give a little or a lot, all of it will make a difference for the students of PCS!

Open Houses: Please invite your friends and neighbors to the open house on November 8th at 9a.m. in the foyer of the auditorium. If you would like the school to mail an invitation to your friends, just call Torrie with the address.

Sports update: The middle school cross country ended their season with their best finish of 5th place overall! Congratulations to these great runners! Basketball and cheerleading will start next week! Go Eagles! Please check the website for their schedule. We will need some volunteers to work the clock or keep the score book. If you would be willing to do this, please check the schedule online and email me or Ed Newsome, the athletic director. His email address is enewsome@carolina.rr.com.

Fall Parties: Thanks to all the parents and room moms who coordinated the fabulous fall parties! You are a very creative group!

Registration: It’s already time to begin planning for next year. As always, our PCS families have first priority on re-enrollment for next year. An envelope went home on Wednesday 10/31 for elementary/middle school students and applications will start going home to preschool students on Monday 11/5, with the re-enrollment information. Priority re-enrollment will end on December 10th. After that date, the general public can fill any spaces not yet claimed by our own families. Call the office if you have any questions please.

November holidays: The entire school will be closed on November 12th for Veteran’s Day. There will be no extended care available. Also, the entire school will be closed November 21-23 for Thanksgiving; there will be no extended care available.

Job line: We have several families with parents and employee’s spouses who are job hunting. If you have an opening at your work place or know of an opening that you willing to share, please call the office and we will pass it on!

I hope all of you have the opportunity to express your gratitude and thankfulness to God this holiday season. There is no greater blessing than being the child of the King and receiving all that He gives us daily! Thanks for the pleasure of serving you and your children at PCS!

His Servant,

Dr. Fern Dallas
Superintendent for Providence Christian School
