Contact office to reserve spots

**PLANNING
AHEAD**

Dear Parents,

I appreciate how many of you have asked about my family's situation for next school year. I wanted to tell you a bit of how God has led us through this situation. I will be Head of School at Hickory Valley Christian School in Chattanooga, TN beginning sometime in June. We put our house on the market after I was officially hired. It was under contract in 2 days. My wife will go to Chattanooga in late April when we close on a house there. The school is similar to PCS. It focuses heavily on an individualized education for all students and its desire is to glorify God and honor Him through loving others. While I am saddened at leaving Charlotte and the closing of PCS, I praise God for His provision and timing and I look forward to an exciting future. He makes no mistakes and His timing is perfect. I will be at PCS through the end of the school year, and it is my goal and the goal of the faculty and staff to finish the school year strong and to serve you and your children!

Be blessed this week in Him,

Jack Exum- Head of School
Providence Christian School

Save the date!
Thursday, May 27th
Field Day 2010: The Last Blast!
Games, Prizes, Cookout
A great day to volunteer!

Final Odyssey of the Mind performance:

3/31- "Column Building"- Group 3- Middle School students

The presentation will take place following chapel.

Please note: There will be no more OM meetings on Mondays.

ODYSSEY OF THE MIND

Be Informed about Uniforms

- ◆ Spring chapel uniforms may now be worn (see Handbook p. 26) as well as uniform shorts every day.
- ◆ Casual Fridays will be every Friday until end of school year (except for Awards Day). Students may wear shorts of the appropriate length (see Handbook p. 27).
- ◆ We have a few new PCS t-shirts (navy w/eagle

and Isaiah verse on the back) size Youth Med.

These are available at no charge. You may request one in the office until they are gone.

- ◆ Clothes closet donations: Please do not bring fall/winter items with the PCS logo. Non-logo items are fine since we can donate these to other schools at the end of the year.
- ◆ Lost and Found bins are on top of the Clothes Closet. We will be donating any jackets, etc. that are left during Spring Break.

QUEST NEWS

On March 24, 2010 our Quest group filmed our chapel presentation for next week. We are very excited about our performance next week. Our chapel theme is **Glorify**

God. We had to write the script, and then perform while our teacher video-taped us. Each person in our group has a speaking part in our skit. We hope everyone enjoys the presentation. After making the video, we went out to eat at Cook Out and then returned to school to work on songs with Mr. Jim.

Nahum- 6th Grade

Don't miss our chapel next week!
